

## Break-In/Vandalism on Highway 30W

On Sunday Morning at approximately 8:45 a.m., Sheriff Kelly Shouse received a call from the residence of Tammy Turner on Highway 30W stating that her home had been broken into. Sheriff Shouse contacted Deputy Ivan Fletcher to assist in the call. When they arrived at the home of Turner, they found a door had been pried open and the

house was in a shambles. Furniture was turned over, drawers pulled out of dressers and cabinets and items were thrown from them all over the house, paint was stripped from the walls, items were broken, clothes were thrown all over the house and CD's and DVD's were taken outside and thrown all over the yard and across the road into another field.

Because of the mess, the owner could not identify all that was stolen at the time, but is compiling a list of items at this time. If you have any information about the break-in or saw anything unusual, contact the Owsley County Sheriff's Office at 593-5161.

## Officials open the much-anticipated KY 30 corridor in Jackson County

\$63 million investment improves safety, mobility

Mayor of McKee John Tompkins; Rep. Toby Herald; Sen. Robert Stivers, President of the Senate; Sen. Albert Robinson; Rep. Marie Rader; Jackson County Judge-Executive William Smith; Chief District Engineer of KYTC District 11 Sherri Chappell and Chief District Engineer Corbett Caudill prepare to cut the ribbon to signify the opening of the new KY 30 corridor.

MANCHESTER, Ky. (Aug. 15, 2014) – Kentucky Transportation Cabinet (KYTC) officials today joined state legislators and community leaders for a ceremonial ribbon cutting on the recently completed \$63 million KY 30 corridor project in Annville.

"The new KY 30 corridor will improve mobility and safety for motorists as well as encourage new economic development in this area," said Transportation Cabinet Secretary Mike Hancock.

Motorists from Annville can now access the Hal Rogers Parkway at mile point 1 in Laurel County via U.S. 421 in Jackson County. The new corridor will reduce drive time and improve safety.

"The completion of this essential section of KY 30 is a huge benefit to Lee, Owsley and Wolfe counties, as well as the northern portion of Clay County," said Senate President Robert Stivers, of Manchester. "This particular road will do wonders opening those areas to Interstate-75, and better access means better economic opportunities."

Construction on the 18-mile project was completed in six phases. Crews finished the last phase Aug. 15, finishing the 13-year project that began in January 2001.

"As the senator who worked hard to help secure funding for this road, I am happy to see the completion of this very important section of KY 30. More than ever, our rural areas need good roads and access to the parkways," said Sen. Albert Robinson, of London. "This will ensure safer travel for our residents and visitors, and the better infrastructure makes these areas more attractive to economic investment and business growth."

"I, like many people in Jackson County, have looked forward to the day when making KY 30 a safe and reliable corridor to and from London would become reality, and now that day has arrived," said Rep. Marie Rader, of McKee. "I am also hopeful the improvements to Kentucky 30 can act as a mechanism to bring more jobs and more opportunity to Jackson County by opening up our communities to new business."

Elmo Greer and Sons LLC, of London, Hi-View, of Corbin, and Kay and Kay Contracting LLC, of London, each awarded one phase of the project.

Vaughn and Melton Consulting Engineers, of Middlesboro, was the design consultant of the project. For more information contact Les Dixon, District 11 Office, Manchester, KY.

In attendance of the ribbon cutting ceremony was Owsley County Judge Executive Ronnie DeBord with Rep. Toby Herald

Sen. Albert Robinson, Chief District Engineer of KYTC District 11 Sherri Chappell, Chief District Engineer Corbett Caudill, Sen. Robert Stivers, President of the Senate, and Rep. Marie Rader

## Southern and Eastern Kentucky entrepreneurs to be honored at the 2014 EIEA Awards Luncheon on September 8 at the Center for Rural Development

Owsley Countain to receive an award!

Twelve entrepreneurs in Southern and Eastern Kentucky will share their business success stories as finalists in the 2014 Excellence in Entrepreneurship Awards (EIEA) program at a regional awards recognition luncheon on Monday, Sept. 8, at The Center for Rural Development in Somerset.

The EIEA program recognizes and promotes entrepreneurs in the region who exemplify the spirit of entrepreneurship by creating and managing a successful business enterprise.

The luncheon is scheduled to begin at 11:30 a.m. and will be followed by an awards presentation by program sponsors. EIEA brings together some of the region's top small business owners to share their challenges and successes and network with other entrepreneurs.

"Diversification is critical to the future economic success of Southern and Eastern Kentucky and it's our local entrepreneurs who can help define the path forward," said U.S. Congressman Harold "Hal" Rogers (KY-05). "Gov. Beshear and I launched the SOAR initiative last year to promote and support job growth in our region. As local business owners expand, they bring much-needed stability to our families and communities. "I commend all of the 2014 EIEA finalists for leading the way and persevering through the economic challenges they faced over the last year," he added. "You are shaping the future of our region's economy." The 2014 EIEA finalists and their respective award categories are:

### Young Entrepreneur

- Shane Hamilton, owner, Service Maids, LLC, Garrett, Ky.
- Robert Hicks, managing director, Indiview Media, LLC, Somerset, Ky.
- Jordan Meece, owner, Aqua 41, Liberty, Ky.

### Start-Up Business

- Mr. and Mrs. Ronald (Ronnie & Caira) Aldridge, owners, In-Range Archery, Richmond, Ky.
  - Greg Drury, owner, Harlan's Coal Fired Pizza (dba The Portal), Harlan, Ky.
  - Brian McElroy, owner, Russell County Farm Store, LLC, Russell Springs, Ky.

## Brushes and Canvas Painting Series

Family Engagement Specialist Sue Christian and Owsley County Public Library Coordinator Lesa Marcum showcasing one of the paintings from the art exhibit from the Brushes and Canvas Painting Classes. This painting was done by Jimmy White.

Brushes, canvas and paint – all materials needed to paint a picture. The Promise Neighborhood Initiative sponsored the Brushes and Canvas Painting Classes in Owsley County this summer. For the month of July, families met at the Owsley County Action Team every Tuesday to learn how to paint or to increase their painting skills. Artist Wanda Hammons, the instructor for the classes, taught the families techniques, brush strokes, color mixing and many other skills that they would need to continue

painting on their own after the classes were over. Each of the 22 people enrolled in the classes got to choose a scene and paint their own picture. After the paintings were complete, they were put on display at the Owsley County Public Library for the public to enjoy. Special thanks to Lesa Marcum and the Owsley County Public Library for hosting the art exhibit. Promise Neighborhood will be hosting more painting classes in the future, so watch for advertisements if you are interested.

## KY 2024 in Owsley County to be closed Saturday, Aug. 23

JACKSON, KY – In order to replace a drainage pipe, the Kentucky Department of Highways plans to close KY 2024 in Owsley County on Saturday, Aug. 23. The road will be closed at milepoint 3.1, north of Ricetown. The project will begin around 7:30 a.m. and will be completed as quickly as possible.

No detour is available. Motorists should plan their trips accordingly. Provisions will be made should emergency vehicles need access to areas beyond the closure point.

In case of inclement weather, the closure will be postponed until another suitable date.

There are three questions that every human being, at one time or another, will think about. Some people will give them nothing more than a passing thought during their lifetime while others will think about them constantly. I think most people are somewhere in between, usually thinking of them at around the times of life's major events. The three questions are: 1) Where did I come from? 2) Why am I here? 3) Where am I going when I die (some people will phrase this question, "Is this all there is?")?

The Bible does give an answer to all three questions.

WHERE DID I  
COME FROM?

In general, we are all created in the image of God (Genesis 1:26-27, 5:1, 9:6; 1 Corinthians 11:7; James 3:9) but that does not fully answer the question.

God has known you from eternity past, "Before I formed thee in the belly I knew thee" (Jeremiah 1:5a). The Scriptures often speak of God forming the individual in the womb (Isaiah 44:2, 24, 49:5). All life, spiritual and physical comes from God. In fact, the Bible, speaking of Jesus Christ, says that all things were created by Him, for Him and are held together by Him (Colossians 1:16-17). The answer to the question, where did I come from is Jesus Christ

WHY AM I HERE?

Ephesians 2:10 tells us, "For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them." In other words, we are created by Jesus Christ to walk in His light doing what He has created us to do. Colossians 1:16, as noted above, does tell us that all things (including us) are created "by him and for him" (Christ Jesus) No one can tell you specifically what God wants you to do with your life, which is between you and God, but the Bible is clear that God

does have a purpose and a plan for everyone. The problem is, most people never get to a point in their lives to know what that specific purpose is (2 Peter 3:9). The specific steps to knowing the will of God for your life are found in Romans 12:1-2 and elsewhere in the Scriptures but that is another topic for another day.

The conclusion we can make for the answer to question number two is, in general, the reason we are here is Jesus Christ.

WHERE AM I GOING  
WHEN I DIE?

This question can only be answered by you, but is answered through Christ. The Bible is specific, there is

an afterlife and heaven and hell are the only two destinations (Luke 16:19-31). If you are thinking, "I don't believe in hell or any of this stuff" please read on. I am only showing what the Bible says.

Our sin has separated all of us from God (Psalm 66:18; Isaiah 59:2). Many think there is a line in the sand; this line may be a certain number of sins or specific sins, like murder or rape, that will send them to hell but the truth is we are all guilty of something. It might be as small as telling a lie, or taking a cooking out of the cookie jar when we were nine years old, but the fact remains we are all guilty, from the murderer to the nine year old cookie thief (Romans 3:10,23).

In society, when someone commits a crime and is found guilty, they are issued a fine or jail time. When the fine is paid or the sentence is served we say the person, "has paid their debt to society." When it comes to sin the only payment God will accept for sin is sinless blood (Hebrews 9:22). Since

we have all sinned, none of us can pay our debt to God; we need someone to pay it for us.

Jesus Christ being sinless as God in the flesh is the only one that could possibly pay for anyone's sins. We cannot be redeemed by money or good works, but only through the blood of Jesus Christ (1 Peter 1:18-19, Ephesians 2:8-9).

Putting your faith in what Christ did on the cross, is the only means of answering the third question with a positive outcome because it is through faith that Christ's blood is applied to your guilt and therefore, pays your debt (John 1:12, 3:16-18 and the list goes on).

The answer to all three of life's great questions is Jesus Christ.

Owsley County Fiscal Court  
Approves Bids

Owsley County Fiscal Court bypassed the reading of the minutes for the last fiscal court meeting and the treasurer's report.

Cassie Hudson from Partnership Housing, asked for a \$3000 donation for a \$1,000,000 grant match she is writing. She stated they had money to build 5 sites and purchase property on Hwy 1938 at Miltown. This money will not be needed until after January. Mrs. Hudson stated that she only needed a commitment letter to go with the grant she was writing at this time. She stated that on Monday they had completed their 18th energy efficient home and 3 more were under construction and they are signing contracts for 3 more homes at the end of the month. The fiscal court approved the donation, on the condition that the new fiscal court accepts the terms.

Lucy Burrows discussed the grant packets that the fiscal court could request: the waste tire grant for \$3000; the litter abatement grant – the amount for the grant is not given upfront - Lucy

stated it had been around \$12,000 - \$13,000 and the open dumps grant – Mrs. Burroughs stated that currently they had around \$56,000 but she had several more sites to add to it, which should make it around \$70,000 to \$75,000. A motion was made and carried to enter into an agreement with the Division with Waste Management to apply for the grants.

The fiscal court ran several advertisements for bids. The bids were opened and voted on at this meeting. There were two bids for pipe/culverts: Interstate Construction Products Inc. and Lee County Building Supply. Interstate Construction Products Inc. was awarded the bid. Only one bid was received for concrete, King-Crete Ready Mix, Inc. The bid was awarded to them. Two bids were received for rock: The Allen Company and Hinkle Contracting Company, LLC. The Allen Company was awarded the bid. One bid was received for black-top from Hinkle Contracting Company. The bid was awarded to them.

\* The B&H Apothecary sponsored 18 hole "Round To Remember" scramble at Sag Hollow, held on Saturday, was very successful in raising monies for a worthy cause, the Alzheimer's Association. The golfers were treated to a great day of golf, food, and prizes. The winning team, with a score of -16, was composed of Cody Pennington, Kendall Robinson, Duran Sparkman, and Billy Long. Their first place finish earned their team \$800. Second place, and winner of \$600, was claimed by the team of Dale Bishop, Butch McWhorter, Tim Bobrowski, and Xander Terry. Third place winners of \$400 was the team of Mike Mason, Elisha Green, Ira Parks, and Michael Mason. The high school golf team participated in the scramble, at no cost of entry fee, and did not receive any cash prizes due to KHSAA rules. However, it was a fun experience for the young golfers, who will be representing the Owls in the All A Regional Golf Tournament at Sag Hollow on Monday, August 25th.

Prizes were also awarded for closest to the pins on the two par 3's. Elisha Green won closest on hole number 3, and Duran Sparkman won for hole number 6. Butch McWhorter won for having the longest drive in the number 2 fairway, and Joe B. Hall won for making the longest putt on the 9th green. Joe's putt was over 30 feet.

\* The Tuesday league had two golfers tie with a score of -1 from their handicaps. David Rudd and Deron Mays spit the first place money for the individual low score. The team portion of the league was won by Cody Pennington and Bear Strong, who paired up to shoot even par.

The closest to the pin gift certificate on number 3 was won by David Rudd, and the closest on hole number 6 was Randy Osborne. The closest to the pin awards for this week's league were sponsored by Gay Brothers Logging, Showtime Pizza of Jackson, and Allen's Ambulance Service.

\* Thursday's bi-weekly Skins Game (alternating with the scramble) had only one winner. Michael Wilson of Morgan County birdied number 6 and was the lone winner, taking home \$243 cash prize. Wilson also won closest to the pin on the same hole to add a \$10 gift certificate to his total. It was the first time he had played Sag Hollow and he said he loved the course and would be back. The winner of the other closest to the pin, hole number 3, was Rick Wooten of Buckhorn. The closest to the pins for this week's Skins Game were sponsored by Begley's Auto Parts and Booneville Shopwise.

On Thursday, August 14 Promise Neighborhood Project Director Sherry Taubert recently presented a new iPad to Teresa Barrett, winner of the Owsley County iPad drawing. Barrett's name was entered into the drawing after she filled out a survey for Promise Neighborhood that she received in the mail.

Berea College Promise Neighborhood relies on community input to learn about the best ways to support education in Owsley County. During this school year, Promise Neighborhood is continuing to work with the Owsley County Schools and other partners to provide services that will help all students succeed in school. These services begin in infancy with a home visiting program. They continue from

Jonah Dean showing off his award from the FFA seed ID contest.

"A tradition since 1902" is the theme of this year's KY state fair. On August 15, 2014 Owsley Co. FFA members made memories to last a life time during one of Kentucky's oldest traditions. Their morning began at 5:30 am when they caught the bus to Louisville. Students competed in events such as the Jr. Chef Contest, Seed Identification, Nursery and Landscape, Floral Judging, and Auctioneering. All students got a chance to put their skills to the test against other high school students from across Kentucky. These contests are career development events that encourage career exploration and personal growth. Highlights of the day included Tessa Huntsberger receiving the MVP award for her team during the Jr. Chef competition. The Owsley County Jr. Chef team went head to head with Corbin High School during the contest and made an excellent show of culinary skills all around. Jonah Dean received 12th place in the Seed Identification contest where he competed against over 50 other FFA members. The day would not have been possible without the support of Jackson Energy, Kendra Combs (chaperone), and Grow Appalachia. Thank you for all of your support.

## Owsley County Golf Team Attends Practice Round of PGA Championship

The Owsley County Golf Team went to a practice round of the PGA Championship on August 4, 2014 which was held at the Valhalla Golf Club outside of Louisville, KY. All youth 17 and under were admitted for free, but some of last years team decided to travel with the team to the practice round.

While there, the players got to see many professional golfers such as Phil Mickelson, Bubba Watson, Keegan Bradley, Martin Kaymer, and many others which was a great experience. This allowed them to see how professionals practice, go about their game and prepare for a tournament.

A couple of the team members were unable to attend, because of back to school events. The golf team would like to thank the Booneville United Methodist Church for allowing them to use their van for transportation to the event.

### Kentucky Educators (Continued from page 1)

Owsley Co. Schools Superintendent Dr. Tim Bobrowski said districts outside the Kentucky Valley Educational Cooperative may participate by accessing the program via the Kentucky Department of Education's LYNC online service. The program will air beginning at 10 a.m. ET Aug. 21 and is expected to run for 90 minutes.

Bobrowski said he expected the discussion will touch on the law's impact

on declining participation in school meals programs, "plate waste" (students required to take specific items for the meal to be reimbursed – often then tossing the food away), and the fiscal downside for district food services.

Dr. Janey Thornton, USDA deputy undersecretary for Food, Nutrition and Consumer Services, will take part in the discussions. Thornton is a former Hardin County Schools' food services direc-

tor and served as president of the national School Nutrition Association.

District leaders outside the Kentucky Valley Educational Cooperative with questions about participating are invited to contact Supt. Bobrowski at 606-567-5256, or simply log in to view the LYNC session Thursday at 10 a.m. ET.

#### Public Hearing

The Owsley County Conservation District will hold a public meeting at the conservation district office located at 21 Jockey Street, Old Jail Building, Booneville, on Tuesday, September 2, 2014 at 5:00 p.m., to obtain comments from the public concerning the setting of the 2014 tax rate to 0.063.

The Conservation District's 2013 tax rate was 0.061 and produced \$46,278.00 in revenue that was actually received by the conservation district, although the expected revenue was \$49,650.00. The compensating rate for the 2014 tax year is set for 0.061 with expected revenue of \$49,852.00 if all taxes are collected. Due to an increase in operational costs, the Conservation District Board is requesting a 4% increase to set the 2014 rate at 0.063 for expected revenue of \$51,487.00, an increase of \$1,635.00, if all taxes are collected.

All funds collected will continue to be managed carefully by the Conservation District Board of Supervisors and utilized in the areas of district operations and administration and for program implementation.

Booneville, KY 41314  
(606) 593-6363

Before the child’s 7th birthday and before the start of each school year when the parents begin to teach at home, the parents must file a letter of intent to home school with the local superintendent of schools. This letter should include the names, ages, and address of each child. If you have not notified the Owsley County School District with your intent to home school, please submit your intent to the Owsley County Board of Education. If you have any questions concerning home school please contact Paul Green at (606) 593-6363.
